From A-Z I need to search
all that's in God's Word,
And then store up inside of me
the truth that I have heard.

Deeds

When you feel your heart grow dark
and want to do what's bad,
Think about what pleases God
and makes your heart feel glad.

Listen to the Spirit,
to the things that God does say,
And keep your mind on what is right,
so God you will obey.

What do our deeds show?

The things we say and do

D—D—Deeds

Show what we're thinking, too

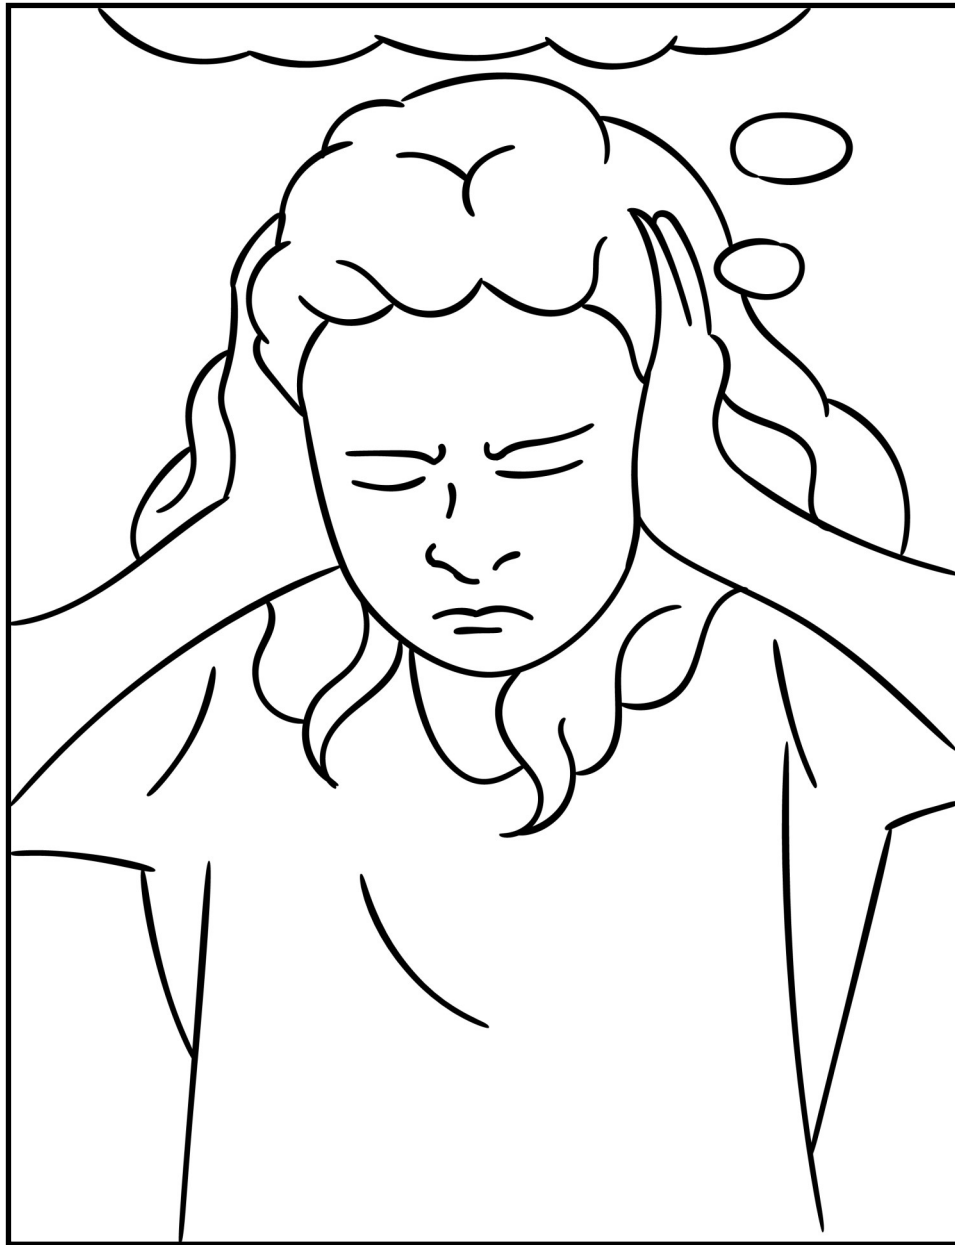

And pray the Holy Spirit
will be in your heart each day,
Then you can make God happy
with the things you do and say.

The Holy Spirit helps you
produce fruit that is good,
And if you listen to him
you will do the things you should.

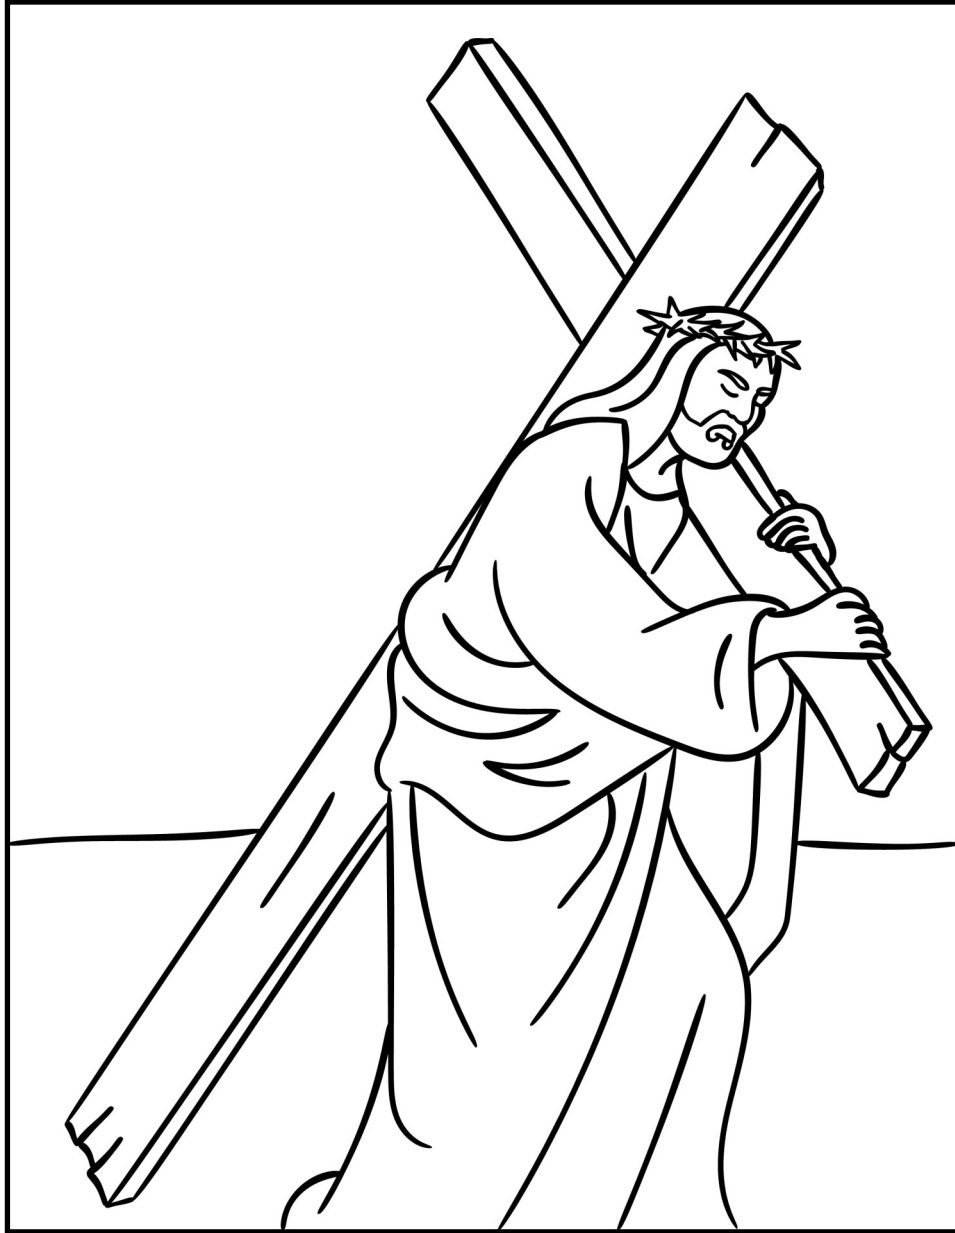

Deeds are the words we say,
and the actions that we do.
They show what lies within our heart,
and what we're thinking too.

Jesus says that by its fruit
a tree you'll surely know.
Whether it is good or bad
its fruit will truly show.

Jesus died upon the cross
to take away your sin.
A dark heart he can change
into a clean one once again.

Don't keep sin inside you,
repent and turn away.
Then you can follow Jesus,
and on his path will stay.

The deeds you do show others
what is your type of tree.
If your heart is good or bad,
through your actions people see.

If darkness is within your heart,
what's there you cannot hide,
Cause the fruit your tree produces
reveals what lies inside.

Remember thinking bad thoughts
joins you to Sneaky Snake.
You'll end up doing what is bad
and cause God's heart to ache.

The snake he always hangs around
to tempt you to choose wrong.
But you can make him go away
if to Jesus you belong.

If in our minds we think about
good things and what's right,
The Holy Spirit stays in us,
so we'll walk in God's good light.

We'll produce good fruit and bless
the people that we know,
And that God's Spirit dwells in us,
to others we will show.

If in our minds we think about
the things that are not right,
Our hearts grow dark and we won't walk
along God's path of light.

With a dark heart we'll grow fruit
that is hurtful and quite bad.
Bad fruit makes us feel crummy,
and make others really sad.
