

What does creation show about God?

Page 2

But we know that God is real,

he created you and me.

He made the things around us,

everything that we can see.

Beautiful describes the life

God put upon the earth.

We all are his and through him,

everything was given birth.

Page 3

God is not like his creation,
he will never die.

When we say that he's eternal,
that is not a lie.

Eternal means God wasn't born,
had no beginning, has no end.

Isn't it amazing that God
wants to be our friend?

Page 4

In the Bible we learn more
of God's unending love.

And how he keeps earth in his hands,
watching from above.

Our God is full of goodness;
he's the great eternal one.

All that he has made
show the wonders he has done.

Page 5

Omnipotent means that God
has all power and all might

And because our God is holy
he only does what's right.

So when you look around
at the beauty of the earth

Remember through God's power
everything was given birth.

Page 6

God wants us to come to him
to show his love to us.

And we can feel his love,
if in him we do trust.

And so we kneel before God
and to him humbly pray

Thanking him for all he's done,
each and every day.

God is very different,

he is not like us at all.

While he is great and mighty,

we are very small.

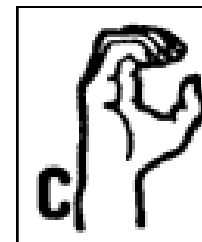

God doesn't have a body,

he's a spirit everywhere,

So we cannot see his face

like we cannot see the air.
