Lesson Song – My God Is So Great

My God is so great, so strong and so mighty,
there's nothing my God cannot do.
My God is so great, so strong and so mighty,
there's nothing my God cannot do.

The mountains are his, the rivers are his,
the stars are His handiwork, too.
My God is so great, so strong and so mighty,
there's nothing my God cannot do, for you!

Through God's word we discover what is right and true.
Then we live it out in all we say and do.
