Lesson Passage—Job 12:7-16

- ⁷ "But ask the animals, and they will teach you,
or the birds of the air, and they will tell you;
⁸ or speak to the earth, and it will teach you,
or let the fish in the sea inform you.
⁹ Which of all these does not know
that the hand of the Lord has done this?
¹⁰ In his hand is the life of every creature
and the breath of all mankind.
¹¹ Does not the ear test words
as the tongue tastes food?
¹² Is not wisdom found among the aged?
Does not long life bring understanding?
¹³ "To God belong wisdom and power;
counsel and understanding are his.
¹⁴ What he tears down cannot be rebuilt;
those he imprisons cannot be released.
¹⁵ If he holds back the waters, there is drought;
if he lets them loose, they devastate the land.
¹⁶ To him belong strength and insight;
both deceived and deceiver are his.

Through God's word we discover what is right and true.
Then we live it out in all we say and do.

LESSON 2

THIS WEEK'S BIG QUESTION

What does creation show about God?

LESSON RHYME

C—C—Creation
The beauty of the earth
C—C—Creation
To all things God gave birth

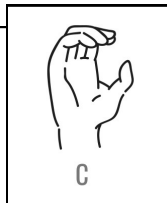

Level 2—Parent Notes:

- **Daily Reading:** Read the entire booklet to the child. Go back to the appropriate day, reread the content and have the child answer questions about it from the **Daily Reading Questions** at the back of the booklet. Include personal ideas and additional questions. Read and discuss the daily Bible verse if appropriate for the child. Have the child draw a picture related to the content.
- **Lesson Rhyme:** Read the **Lesson Rhyme** on the next page, saying the sound of the letter instead of its name. Point to each word as you read it. Discuss the meaning of the rhyme. Have the child trace the letter with a finger and say its sound. Practice with the child the signs that go along with the **Lesson Rhyme** (included below). Review and repeat the rhyme every day.
- **Concluding Lesson:** Complete the activities under **Concluding Lesson** at the back of the book.
- **Completion:** If the student brings this booklet back to the teacher on Sunday, with each day's work completed and the lesson rhyme memorized, the student will receive acknowledgement of a job well done.
- **Way to go, parents!** Your faithfulness in teaching your children the deed and statutes of the Lord isn't always easy, but it honors God and will have an eternal impact. Keep up the good work! Remember Galatians 6:9, *Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.*

#2

What does creation show about God?

C—C—Creation

The beauty of the earth

C—C—Creation

To all things God gave birth

Day 1

Draw a picture of clouds in the air.

God is very different,
he is not like us at all.
While he is great and mighty,
we are very small.
God doesn't have a body;
he's a spirit everywhere,
So we cannot see his face
like we cannot see the air.

Day 6

Draw a picture of you praying.

God wants us to come to him
to show his love to us
And we can feel his love,
if in him we do trust.
And so we kneel before God,
and to him humbly pray
Thanking him for all he's done,
each and every day.

John 4:24: God is spirit, and his worshipers must worship in spirit and in truth.

Psalms 89:1-2: ¹ I will sing of the LORD's great love forever; with my mouth I will make your faithfulness known through all generations. ² I will declare that your love stands firm forever, that you established your faithfulness in heaven itself.

Day 5

Draw a picture of a beautiful place.

Omnipotent means that God
has all power and all might
And because our God is holy,
he only does what's right.
So when you look around
at the beauty of the earth
Remember through God's power
everything was given birth.

Day 2

Draw a picture of you in a pretty place.

But we know that God is real,
he created you and me.
He made the things around us,
everything that we can see.
Beautiful describes the life
God put upon the earth.
We all are his and through him,
everything was given birth.

Psalm 19:1-2: ¹ The heavens declare the glory of God; the skies proclaim the work of his hands. ² Day after day they pour forth speech; night after night they display knowledge.

Romans 1:20: For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that men are without excuse.

Day 3

Draw a picture of stars in the sky.

God is not like his creation,
he will never die.
When we say that he's eternal,
that is not a lie.
Eternal means God wasn't born,
had no beginning, has no end.
Isn't it amazing that God
wants to be our friend?

Day 4

Draw a picture of the earth in God's hands.

In the Bible we learn more of
God's unending love,
And how he keeps earth in his hands,
watching from above.
Our God is full of goodness;
he's the great eternal one.
All that he has made
show the wonders he has done.

Isaiah 40:26: ²⁶ Lift your eyes and look to the heavens:
Who created all these? He who brings out the starry host
one by one, and calls them each by name. Because of his
great power and mighty strength, not one of them is
missing.

Isaiah 40:28: Do you not know? Have you not heard? The
LORD is the everlasting God, the Creator of the ends of the
earth. He will not grow tired or weary, and his understanding
no one can fathom.
