

Say each letter sound and trace over the letters in the boxes. Which sound does the word creation begin with?

Lesson Song – My God Is So Great

My God is so great, so strong and so mighty,
there's nothing my God cannot do.
My God is so great, so strong and so mighty,
there's nothing my God cannot do.

The mountains are his, the rivers are his,
the stars are His handiwork, too.
My God is so great, so strong and so mighty,
there's nothing my God cannot do, for you!

LESSON 2

THIS WEEK'S BIG QUESTION

What does creation show about God?

LESSON RHYME

C—C—Creation
The beauty of the earth
C—C—Creation
To all things God gave birth

Creation speaks of God

What is the girl doing in the picture? Where did the tree and animals come from? The tree and all living things were made by God to bring honor to him and to show that he is wise and loving. The way your own body works and the things you are able to do show how smart God is. The fact that there is air for us to breathe and food for all of us to eat shows that God loves us and takes care of us. Since God made the world and the things in it, they all belong to him. The question to think about is, "What does creation show about God?"

Draw a picture of your favorite living thing that God created. Thank him for giving you life so you can enjoy his creation.
