

Name the things in the boxes below.

Concept

God made the sun to shine in the day and the stars to shine in the night.

Make a circle around head with arms. Sway with circle overhead left and right. Hold hands up in air and wiggle fingers. In star position move hands from side to side.

Lesson Song – Twinkle, Twinkle Little Star

Twinkle, twinkle, little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.

Twinkle, twinkle, little star,
How I wonder what you are!
When the blazing sun is gone,
When there's nothing he shines upon,
Then you show your little light,
Twinkle, twinkle, through the night.

Twinkle, twinkle, little star,
How I wonder what you are!
In the dark blue sky so deep
Through my curtains often peep
For you never close your eyes
Till the morning sun does rise

Twinkle, twinkle, little star
How I wonder what you are
Twinkle, twinkle, little star
How I wonder what you are
