

Say each letter sound and trace over the letters in the boxes. Which sound does the word plant begin with?

**Lesson Song**  
**Oats, Peas, Beans, and Barley Grow**

**Chorus**

Oats, peas, beans, and barley grow,  
Oats, peas, beans, and barley grow,  
Can you or I or anyone know  
How oats, peas, beans, and barley grow?

**Verse 1:**

First the farmer sows his seed,  
Stands erect and takes his ease,  
He stamps his foot and claps his hands,  
And turns around to view his lands.

**Chorus then Verse 2:**

Next the farmer waters the seed,  
Stands erect and takes his ease,  
He stamps his foot and claps his hands,  
And turns around to view his lands.

**Chorus then Verse 3:**

Next the farmer hoes the weeds,  
Stands erect and takes his ease,  
He stamps his foot and claps his hands,  
And turns around to view his lands.

**Chorus then Verse 4:**

Last the farmer harvests his seed,  
Stands erect and takes his ease,  
He stamps his foot and claps his hands,  
And turns around to view his lands.

**Chorus**

# The Land Produces Vegetation

God created the plants and trees on the same day he made the dry ground appear. He had already made everything that plants need to live and grow. Plants need water, air, light and ground (soil) to live and grow. When God created plants he had already made the things they need to live.

Everything God had made before the plants were not alive. They were what living things need but they are not alive. Plants are living things. A living thing is something that needs light, food, air and water. A living thing comes from another living thing, grows and eventually dies.

Draw a picture of the things plants need to live and grow.
