

Name the things in the boxes below.

Concept

The earth

Circles around the Sun

Make a ball with both hands

Move earth in circle up and around head.

Lesson Song – Twinkle, Twinkle Little Star

Twinkle, twinkle, little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.

Twinkle, twinkle, little star,
How I wonder what you are!
When the blazing sun is gone,
When there's nothing he shines upon,
Then you show your little light,
Twinkle, twinkle, through the night.

Twinkle, twinkle, little star,
How I wonder what you are!
In the dark blue sky so deep
Through my curtains often peep
For you never close your eyes
Till the morning sun does rise

Twinkle, twinkle, little star
How I wonder what you are
Twinkle, twinkle, little star
How I wonder what you are

NURSERY LEVEL 1 CLASS NOTES

LESSON 11

THIS WEEK'S BIG QUESTION

Why can all people know God through his creation?

LESSON CONCEPT

The earth circles around the sun.

#11 - The Design of the Solar System
