

Mm

Who is man?

Page 2

When God created man,
there were only two.

So from Adam and from Eve
are descended me and you.

At the very start
man was completely whole.

With a body, mind and heart,
besides a will and soul.

Page 3

God gave to man a mind

so he could think and learn

Then he could be quite smart

and for God's truth would yearn.

God gave to man a heart

so with it he could love.

Then man could be devoted

to the Father up above.

Page 4

God gave to man a will

so he could choose God's way

And in choosing what is right

on God's path he would stay.

When God breathed life in Adam,

he gave to man a soul.

Wanting man to dwell with him

and be forever whole.

Page 5

Created in God's image

the height of God's creation

The purpose of man's life,

is to give God adoration.

There is no other animal

like man completely whole

Cause only man was given:

a mind, heart, will and soul.

Page 6

To follow after God you

must give to him your heart.

Then with your mind you read God's word

till you become quite smart.

With your will you must choose

to follow God each day.

Devote your soul to God

so with him you will stay.

Boys and girls are people,
God refers to them as man.
And each and every one of them
fits into God's good plan.
Created in God's image,
the height of God's creation,
The purpose of man's life
is to give God adoration.
