

Say each letter sound and trace over the letters in the boxes. Which sound does the word creation begin with?

Lesson Song – Kookaburra

Kookaburra sits on the old gum tree
Merry, merry king of the bush is he
Laugh, Kookaburra, laugh, Kookaburra
Fun your life must be

Kookaburra sits in the old gum tree
Eating all the gumdrops he can see
Stop, Kookaburra, stop, Kookaburra
Leave some there for me

Kookaburra sits in the old gum tree
Counting all the monkeys he can see
Stop, Kookaburra, stop, Kookaburra
Don't you dare count me

CREATION AND THE BEGINNING OF HUMAN HISTORY

THIS WEEK'S BIG QUESTION

What can we learn from the birds?

LESSON RHYME

B—B—Birds

Lay eggs inside a nest

B—B—Birds

Fly north, south, east, and west

Magnificent Flying Machines

Besides the things that swim in the sea God created the things that fly in the sky. Birds fly in the sky but so do insects. God created all the things that fly on the same day that he created all the life that is in the sea.

Name the types of birds on the opposite page. Draw a picture below of a baby bird in a nest.
