Lesson Song – My God is so Great

My God is so great, so strong and so mighty,
there's nothing my God cannot do.
My God is so great, so strong and so mighty,
there's nothing my God cannot do.

The mountains are his, the rivers are his,
the stars are His handiwork, too.
My God is so great, so strong and so mighty,
there's nothing my God cannot do, for you!

from the Bible?**

LESSON RHYME

D—D—Dinosaurs
Once roamed throughout the land
D—D—Dinosaurs
Were made by God's command

What about the dinosaurs?

God created dinosaurs on the same day he created all the other animals. Even though they no longer live on earth God had a plan and purpose for them. When we look at dinosaurs we should think about what an amazing creator God is.

Draw a picture of your favorite dinosaurs.
