Man's Authority to Rule the Earth

After God created Adam and Eve he told them to have children and to fill the earth and to rule over it. When God tells men to rule over the earth that means that men are to use God's creation wisely and for good purposes. They take care of the animals and the plants and trees and make the land produce good things.

As a reminder that God has made man to be a good ruler over the earth, Draw a picture of the earth in the circle on the hand.
