

Child's Name: _____

Lesson Passage—Genesis 1:28

²⁸Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

Through God's word we discover what is right and true.
Then we live it out in all we say and do.

LESSON 17

THIS WEEK'S BIG QUESTION

What responsibility has God given to man?

MEMORY VERSE

Psalm 115:16

The heaven, *even* the heavens, *are* the LORD's;
But the earth He has given to the children of men.

Thinking It Through

Level 3—Parent Notes:

- **Daily Reading:** Depending on the age and ability of the child, or parent preference, the child may do the work in this journal independently or read with and dictate an answer to the parent. After reading the day’s rhyme and the Bible verse, the child should draw a picture that relates to that day’s reading and answer the question at the bottom of the page. Have the child answer questions about the day’s reading from the **Daily Reading Questions** at the back of the booklet. Personal ideas and additional questions from the parent can also be included.
- **Lesson Verse:** The lesson verse which answers the week’s big question should be practiced daily. One way to do this is to black out words in the verse each day and say the verse inserting the correct word. By the end of the week the whole verse would be blacked out and recited by memory. Depending on the age and/or ability of the child, either the whole verse or the part of the verse between brackets on the cover can be memorized.
- **Concluding Lesson:** The parent should discuss with the child the **Thinking it Through** questions: What important truth did you learn this week? How can you apply that truth in your life? After discussing the questions the child should write down (or dictate to the parent) the answers and a prayer at the end of the booklet. The child can then complete the other activities.
- **Completion:** If the student brings this booklet back to the teacher on Sunday, with each day’s work completed and the lesson verse memorized, the student will receive acknowledgement of a job well done.
- **Way to go, parents!** Your faithfulness in teaching your children the deed and statutes of the Lord isn’t always easy, but it honors God and will have an eternal impact. Keep up the good work! Remember Galatians 6:9, *And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.*

The important truth I learned this week is:

I can apply that truth by:

#17

What responsibility has God given to man?

God gave the earth to man to
take care of.

Day 1

Draw a picture of Adam and Eve with children.

When God created Adam,
he gave Eve as his wife.
He told them both to marry
and fill the earth with life.
The earth God had created
he entrusted it to man.
Wanting man to rule it
in the best way that he can.

What does the verse mean?

Genesis 1:28: ²⁸ Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

Day 6

Draw a picture of you walking in nature.

We appreciate the greatness
of God and all he's done,
Thanking him for making
the earth, the stars, and sun.
When we look at God's creation,
we see God made it good.
So we try to take good care of it
in the way we should.

What does the verse mean?

Psalms 106:2-3: ² Who can utter the mighty acts of the LORD? Who can declare all His praise?
³ Blessed *are* those who keep justice,
And he who does righteousness at all times!

Day 5

Draw a picture of you feeding a dog.

The earth and every living thing
we treat with due respect,
Because taking care of planet earth
is what God does expect.
Living things need air and water
so they can grow and thrive
So we take care of the earth
and what things need to stay alive.

What does the verse mean?

Psalm 8:6-8: ⁶ You have made him to have dominion over the works of Your hands; You have put all *things* under his feet, ⁷ All sheep and oxen—Even the beasts of the field, ⁸ The birds of the air, And the fish of the sea That pass through the paths of the seas.

Day 2

Draw a picture of the earth and created things.

To God we are accountable
for everything we do.
So we want to know and follow
what is good and true.
Under man's authority,
God put every thing.
So we should treat earth well
and to God great glory bring.

What does the verse mean?

Psalm 115:16: ¹⁶ The heaven, *even* the heavens, *are* the LORD's; But the earth He has given to the children of men.

Day 3 Draw a picture of children planting a tree.

That means we steward earth
and all it does contain.
We understand that hurting earth,
causes God real pain.
Steward means take care of
and use all things with care.
Not wasting precious resources
that God gave us to share.

Day 4 Draw a picture of you shopping at a store.

We want to rule earth wisely,
so God will be quite glad.
So we don't indulge ourselves
or follow every fad.
We are mindful of our attitude;
we're not filled with greed.
We're careful that we only buy
the things we really need.
