

CREATION AND THE BEGINNING OF HUMAN HISTORY

#19 - What Makes Something Very Good Genesis 1:31-2:1

PICTURES NEEDED

19-1 Earth from space

NURSERY CONCEPT

God's creation is very good.

LESSON CONTENT

Show the visual. (Picture 19-1)

What is this a picture of?

God created the earth as a place for people to live. He put everything on earth that people need for a good life. When God was done creating he looked at all he had made and called it "very good." That means God's creation worked in the way he wanted it to. Both people and animals had everything they needed to live life well. We are to thank and praise God for his "very good" creation.

QUESTIONS

What did God create the world for? What did God say about the world he created? What does that mean? What did God put in the world that people and animals need?

PRAYER

Thank God for all the wonderful things he created that are very good. Thank him for the air and water, land and food that he has put on earth so that we have all we need for life.

BIG QUESTION

Who is the Creator God?

God is the one who made us and we belong to him.

LESSON SONG

My God Is So Great

My God is so great, so strong and so mighty,
there's nothing my God cannot do.

My God is so great, so strong and so mighty,
there's nothing my God cannot do.

The mountains are his, the rivers are his,
the stars are His handiwork, too.

My God is so great, so strong and so mighty,
there's nothing my God cannot do, for you!
