#### NURSERY CONCEPT

We should love and worship God.

#### LESSON CONTENT

Show the visual. (Picture 21-1)

What is this a picture of?

What does looking up into the heavens make you think about? There is something about looking up and seeing the stars that causes us to think about God. God knows everything there is to know about his creation and has a name for each of the stars.

We should praise and worship God because he is so great and good. To know God and be able to praise and worship him is a great treasure. There is no other treasure on earth that is as good as the treasure of knowing God. We thank God that we can know and worship him.

We are also told to fear the Lord. That means that we know who God is and that he knows everything we think about and do, which means we should want to do what makes him happy. The fear of the Lord leads to wisdom and keeps us safe.
