

The Roles of Men and Women

In today's society the roles of men and women are being confused. If men and women have the same roles to fill then one of them is unnecessary. You don't need two people to fulfill the same role. The Bible makes it clear that men and women have been given different roles which are both essential to a healthy family. Having different roles doesn't mean that men and women are unequal. Both man and woman were created in the image of God and are equal in his sight. God, however, does lay out in the Bible their different functions. Read the three scriptures below and summarize what each means.

- 1 Corinthians 11:3
- Ephesians 5:25
- Ephesians 5:22-23
