Who was Cain?

Page 2

Abel followed God's command;

he brought the firstborn from his flock.

Cain just offered up some grain

from what he had in stock.

God wants us to give to him

the best of what we own.

Giving God the best

is the way great honor's shown.

Page 3

God was pleased with Abel,

his offering it was good.

He had honored God

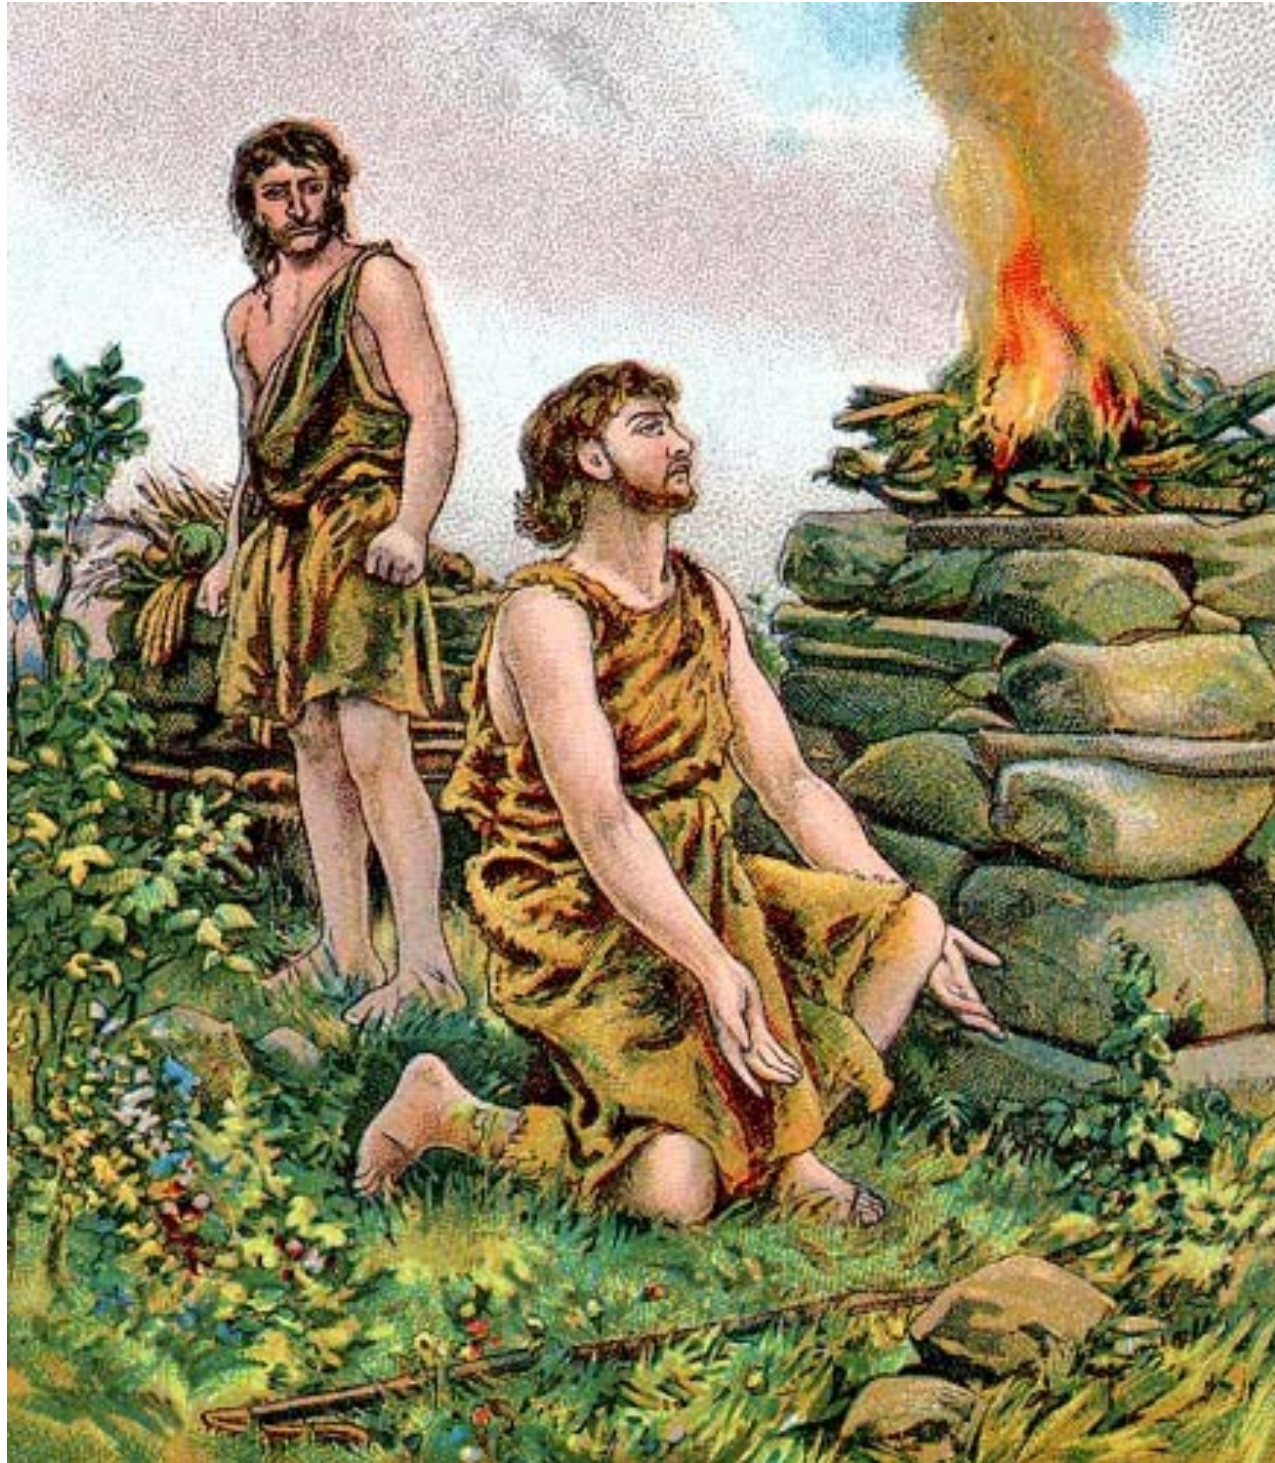

just as God had said he should

But Cain did what he wanted,

to please God he didn't care.

So he followed evil

and got trapped in Satan's snare.

Page 4

Of Abel Cain was jealous,

his heart it wasn't right.

God warned him to do good

and not with Abel fight.

But Cain instead killed Abel,

sin had become his master.

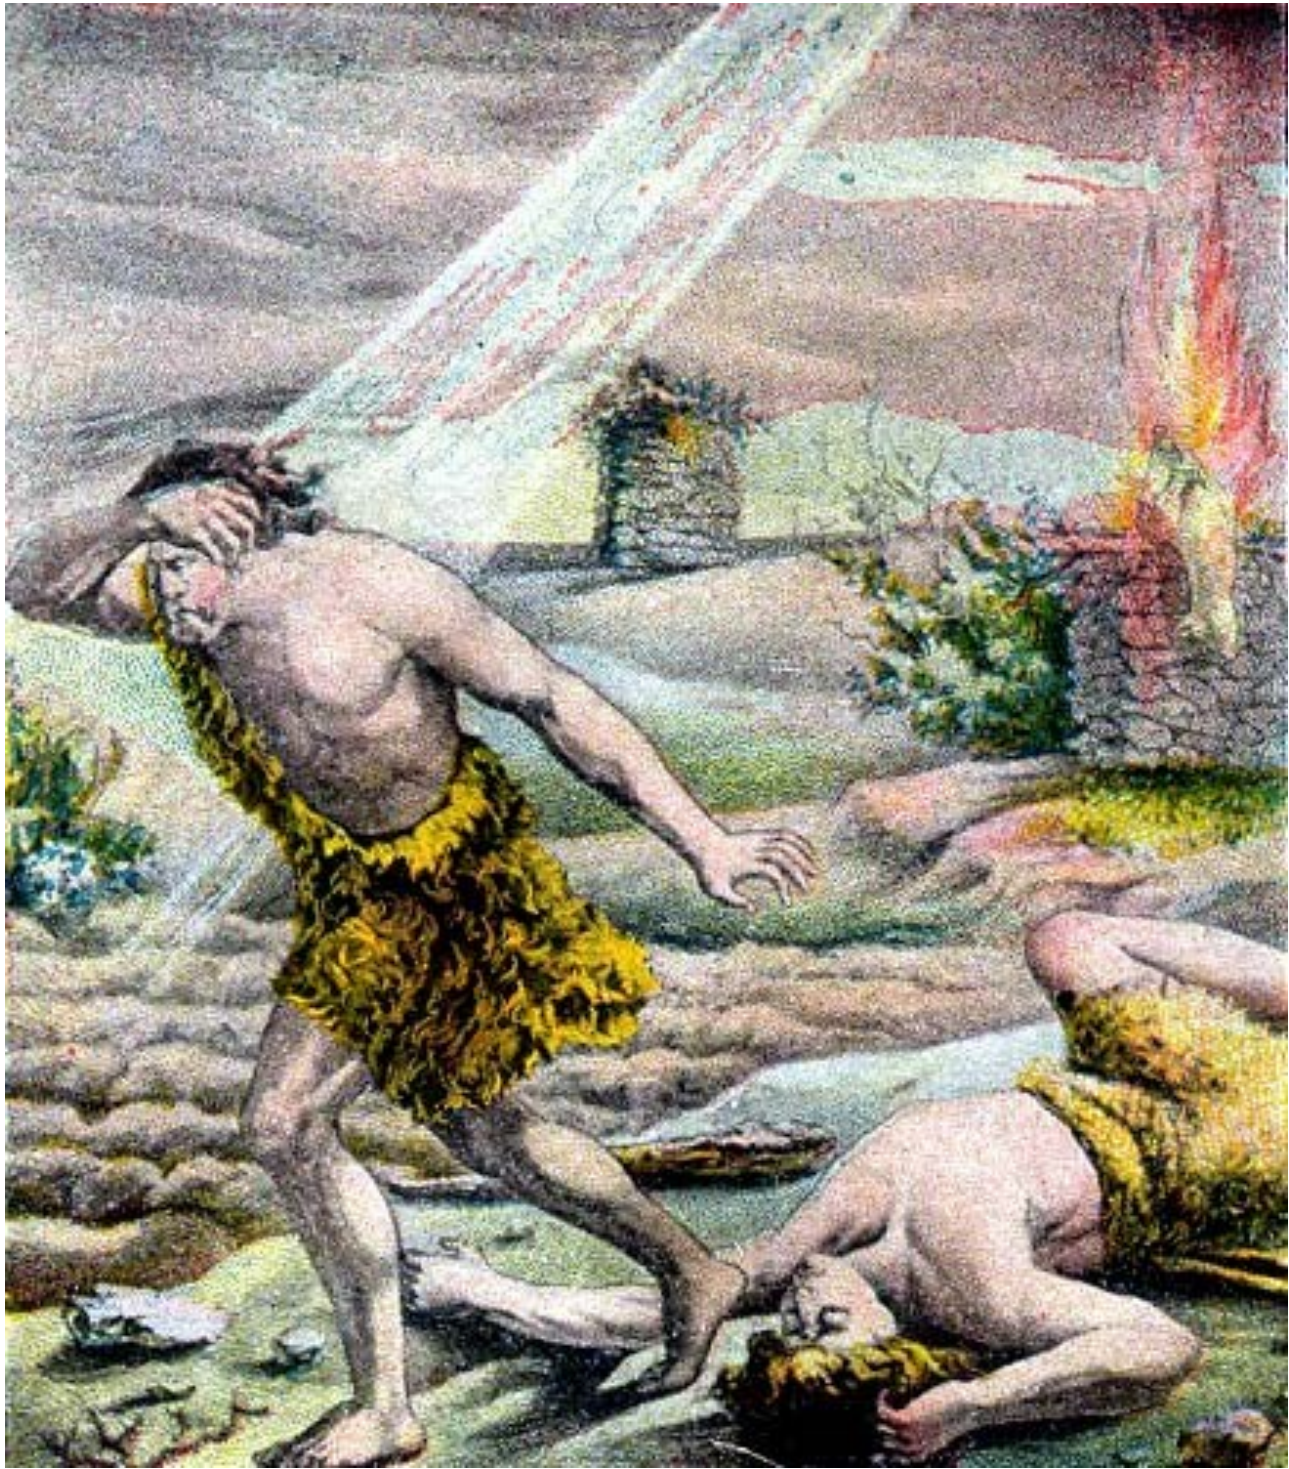

And giving into sin

always leads to great disaster.

Page 5

The blood flowed out of Abel,
seeped down into the field
God said the ground for Cain,
no longer crops would yield.
He also put a curse on Cain
and sent him far away.
Since Cain had followed Satan
and God would not obey.

Page 6

Don't choose to be like Cain
and end up doing wrong.

If you follow Satan's lies
to him you will belong.

Set your mind on Jesus
and love what he does love.

Choose to do what's right
and to honor God above.

Page 1

Cain and Abel were the sons
of Adam and of Eve

In choosing to do evil,
Cain God's heart did grieve.

God had told the brothers
to give a sacrifice of praise.

They were to honor God
and follow in his ways.
