

The Equation of Sin

James 1:14-15 - *Each one is tempted when, by his own evil desire, he is dragged away and enticed. Then, after desire has conceived, it gives birth to sin; and sin, when it is full-grown, gives birth to death.*

- What two things come together to cause sin?
- What is temptation?
- In what area does temptation work?
- What are evil desires?
- How can the equation of sin be broken?
- What is the most reasonable option for breaking the equation of sin and why?
- How do we usually think of breaking the equation of sin?
- Why doesn't that work?
