At the time of Noah everyone, but Noah and his family, was doing what was wrong and the earth was filled with evil. God told Noah to build an ark. Because Noah loved God, he obeyed him and built an ark, even though there wasn't any water in which the ark could float. God said he was going to send a flood and wipe everything off the earth that wasn't safe inside the ark. God sent every type of animal in pairs to go on the ark. Because Noah had faith, believed God and built the ark, he and his family and the animals were kept safe when God sent the flood. (picture 29-2)
