#### NURSERY CONCEPT

Proud people don't seek after God.

#### LESSON CONTENT

**Explanation:**(picture 34-2) What is this a picture of?

The people are building a tower. After the flood instead of spreading out over all the earth like God had told them to do, the people lived together in one place. They wanted to honor themselves instead of God so they started building a tall, tall tower to reach up to the heavens.

God wasn't happy with what the people were doing. They were able to do a lot of bad things together because they all spoke the same language and lived in the same place. They were full of pride and forgot about God. God put an end to this by changing their languages and sending them to different places to live.
