LESSON CONTENT

**Explanation:** (picture 35-1) What is this a picture of?

When God scattered all the people over the earth and gave them new languages to speak, they all started worshipping other gods. We call these gods idols. An idol is anything people worship other than the one, true God.

God wanted to show all people on the earth who he really is so he chose one faithful man, Abraham, to be the father of his people, Israel. God told Abraham to move to a different land that he would give to Abraham's children. Abraham believed God and took his wife and all his belongings and move.

As we read more of the Bible we are going to see what God did for his people Israel and how through God's people all people of the world have been blessed. The greatest blessing God has given to us is the gift of his Son Jesus. Jesus died to pay the penalty for our sin so we can be made right and live with God forever. Jesus came from the line of Abraham. He was a descendant of Abraham. It is through Jesus all people are truly blessed.
