**What was the earth like at the time of Noah?**

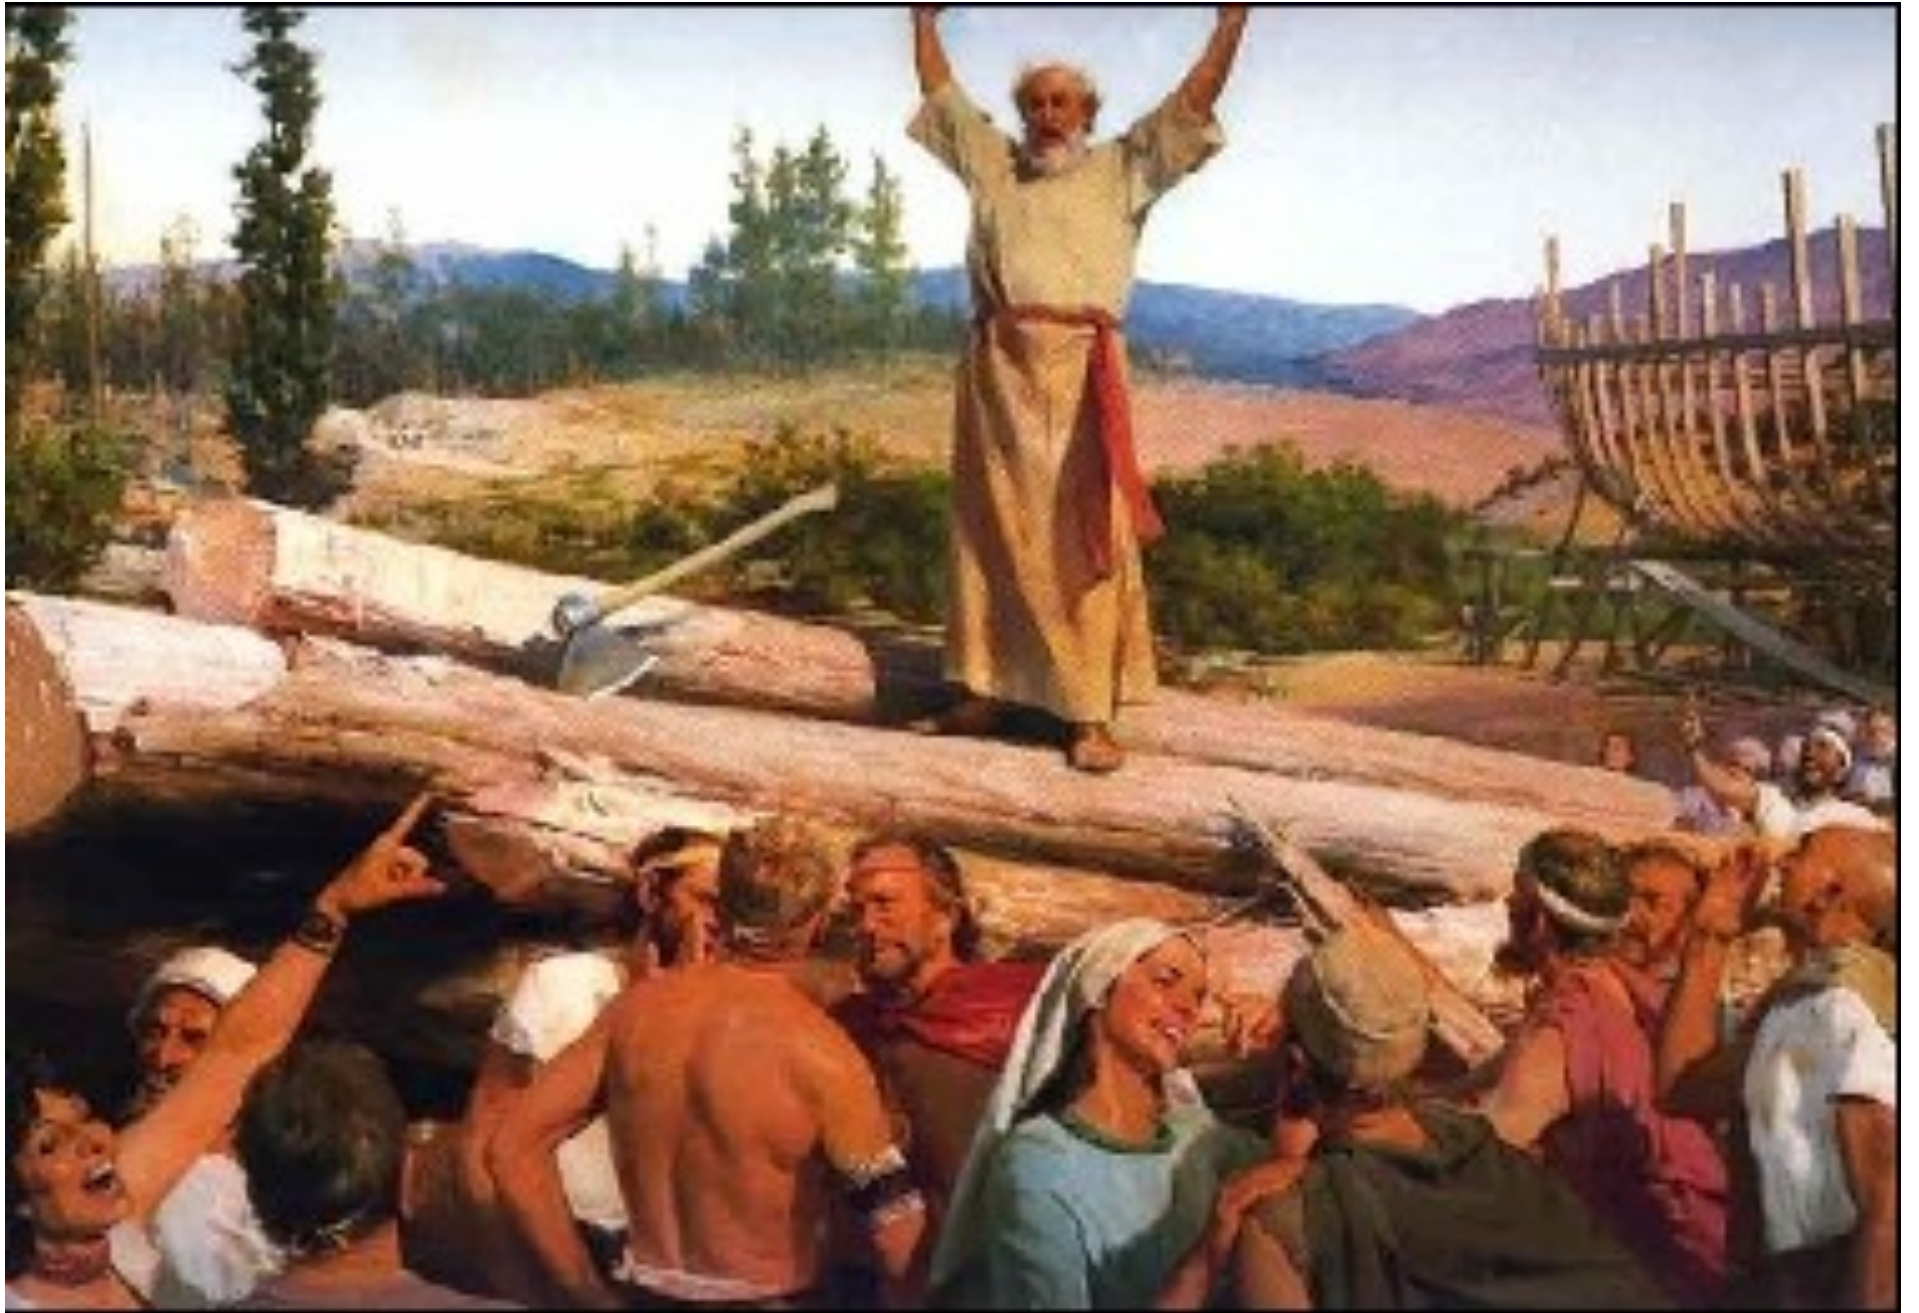

Page 2

In rejecting God men chose  
to follow a wrong way.

So what was good and just,  
they would not obey.

Noah was the only one  
who wanted to do right.

The hearts of all the others  
to sin were holding tight.

Page 3

God couldn't let men's sin

keep getting worse and worse.

So He decided under water

the world he would immerse.

Noah had God's favor

because his heart was good.

His thoughts were filled with God

so he lived the way he should.

Page 4

God said that he would rid the earth  
of the evil of all men.

And then through Noah's sons  
he would fill it once again.

Noah had God's favor,  
he was under God's protection

As he walked with God  
and maintained a right connection.

Page 5

Other men chose evil,

God they did not hear.

That they followed what was wrong

their actions made quite clear.

Since to God they wouldn't listen,

they kept on doing bad.

To have to wipe them off the earth

really made God sad.

Page 6

We shouldn't take sin lightly,  
it deeply grieves God's heart.

But through the gift of Jesus  
we are given a fresh start.

So set your mind on Jesus  
and think the thoughts you should.

So you will follow after him  
and choose what's right and good.

At the time of Noah,

things were really bad.

The hearts of men were evil

and God was really sad.

Men's minds were always filled with thoughts,

that were very wrong.

Because their hearts to Satan

completely did belong.
