**What was Noah's faith like?**

Page 2

God he had decided

to rid the world of sin.

To wipe life from the earth

and then begin again.

But those inside the ark

would be safe and sound

As Noah had great faith

and righteous he was found.

Page 3

God would send a flood  
to cover everywhere.

There'd be nothing left,  
cause earth would be wiped bare.

But those inside the ark  
would weather out the storm

Safe inside the ark,  
they'd be dry and warm.

Page 4

God protects the righteous  
who walk along his path.

While the wicked perish,  
consumed by holy wrath.

God hates all that's evil,  
the wicked cannot stand.

While those with faith in Jesus  
are protected by his hand.

Page 5

Noah built the ark by faith,

    according to God's plan,

And God kept Noah safe,

    along with all his clan.

Into the ark God also sent,

    animals of all kind.

Those not inside the boat

    all were left behind.

Page 6

The flood it teaches us the need  
to walk in Jesus' light,

To turn away from evil  
and follow what is right.

Even when to evil  
all others are inclined.

In faith we'll follow Jesus  
and truth will fill our mind.

Page 1

Faith means that you believe  
all that God has said.

You trust in God completely,  
keep his truth inside your head.

Noah had great faith,  
he knew that God is good.

So in faith he built an ark,  
out of cypress wood.
