

What happened in the flood?

Page 2

For forty days the rain came down;
it didn't ever stop.

Until the ground was covered up
and every mountain top.

On top of all the water,
the ark it stayed afloat.

Because God designed the ark
to be a special boat.

Page 3

Everything that at that time

lived upon the land

Was buried by the water

under piles of dirt and sand.

That is why around the earth

fossils can be found.

As water from the flood

quickly wiped things from the ground.

Page 4

Noah and his family,

they survived the flood

Living things not on the ark

were buried deep in mud.

Noah's faith and righteousness

pleased God without a doubt.

While what was dark and evil,

God wiped completely out.

Page 5

In cultures round the world,

many stories have been told

Of the flood that covered earth

in the days of old.

It was cat-a-stroph-ic,

earth was forever changed.

Mountain tops and valleys

all were rearranged.

Page 6

God will save the righteous
who listen to his voice.

To follow good or evil
every person has a choice.

So choose to be like Noah,
who did everything God said.

Love God with all your heart
and keep his truth inside your head.

Page 1

When evil filled the earth,

God determined it would end.

God said a flood of water

to destroy the earth he'd send.

Noah and his family

in the ark were safe and sound.

As the water poured from heaven

and sprang up from the ground.
