Who is Abraham?

Page 2

One day God said to Abraham
that he must leave his home.

And move to a new land
that by God he would be shown.

Because he trusted God,
Abraham packed up all his things.

He knew he'd be protected
in the safety of God's wings.

Page 3

God's promise made to Abraham
was to bless and make him great.

But it took faith to believe
as Abraham had to wait.

God showed the land to Abraham
that eventually he'd give

But hundreds of years would pass
before the people there could live.

Abraham built an altar

to show God that he believed.

Even though much time would pass

before the promise was received.

Abraham's wife was Sarah,

no children she had born,

But one day he'd have descendants,

just as God to him had sworn.

Page 5

And through Abraham's descendants
all nations have been blessed.

Because Abraham was faithful
when God put him to the test.

Jesus was a Jew,
he was a son of Abraham.

He took our sin upon him
as our sacrificial lamb.

Page 6

Through the sacrifice of Jesus,
all people can be blessed.

He paid the penalty for sin
and death he put to rest.

And we are sons of Abraham
when in Jesus we believe.

The forgiveness of our sin
is the blessing we receive.

God chose the Jewish people
to reveal himself to men.

The Jews all came from Abraham,
they're known as his kin.

Abraham was chosen;
he loved God with all his heart.

So God said from his descendants
he would never, ever part.
