F—F—Flood

Covered every mountain top

The Flood

When Noah and his family and the animals were safe inside the ark God sent a flood that covered the whole earth. Water poured down from the sky and came up from the ground. It covered up all the mountains and destroyed every living thing that wasn't on the ark. God got rid of the evil on the earth. The flood reminds us how much God hates evil and our need to be made clean by Jesus.

Draw a picture of something that would have died in the flood.
