# God's Promise to Abraham

Abraham is looking up at all the stars in the sky because God told him to. God promised to make Abraham's descendants as many as the stars in the sky. Descendants are the children, great grandchildren, great great grandchildren, all the people that come from one's children forever after. This was a hard promise for Abraham to believe because he didn't have any children at that time. He and his wife were too old to have children.

In spite of being old Abraham believed God's promise to give him a son and that made God happy. Abraham knew that God always does what he promises.

God also promised to bless all people on earth through Abraham. Jesus is one of Abraham's descendants. We are all blessed because Abraham believed and trusted God.
