EASTER LESSON 2

CREATION AND THE BEGINNING OF HUMAN HISTORY

THIS WEEK'S BIG QUESTION

How important is the resurrection to our faith?

MEMORY VERSE

1 Corinthians 15:13-14

13If there is no resurrection of the dead, then not even Christ has been raised. 14And if Christ has not been raised, our preaching is useless and so is your faith.

Parent Notes

- **Daily Reading:** Depending on the age and ability of your child, or parent preference, he/she may do the work in this journal independently or complete it with the parent. After reading the day's Bible passage, the student should identify an important truth that relates to that reading and answer the question why he/she needs to know that truth. It would be beneficial if the parent and student also read through and answer the questions about the day's reading from the **Daily Reading Questions** at the back of the booklet. Personal ideas and additional questions from the parent can also be included.
- **Lesson Verse:** The lesson verse which answers the week's big question should be practiced daily. One way to do this is to black out words in the verse each day and say the verse inserting the correct word. By the end of the week the whole verse would be blacked out and recited by memory.
- **Concluding Lesson:** To develop deeper understanding and a comprehensive biblical worldview, the parent should talk through with the student the **Thinking It Through** questions at the back of the booklet and then have the student write out the answers.
- **Completion:** If the student brings this booklet back to the teacher on Sunday, with each day's work completed and the lesson verse memorized, the student will receive acknowledgement of a job well done.
- **Way to go, parents!** Your faithfulness in teaching your children the deed and statutes of the Lord isn't always easy, but it honors God and will have an eternal impact. Keep up the good work! Remember Galatians 6:9, *Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.*

Concluding Lesson—Thinking It Through

Discuss these questions with a parent then write out your answers below.

- What is an important truth you learned from the Bible readings this week?
- How should that truth be lived out in your life?
- What would be the result of your living out that truth?
- What is a lie or deception people believe in terms of that truth?
- Why does that lie or deception appeal to people?
- What would be the result of believing and following that lie or deception?
