Joseph Becomes a Ruler

While he was in prison Joseph trusted God and showed that he was a very wise man who did what was right.

Pharaoh, the ruler of Egypt, had a dream that bothered him a lot. In one dream seven fat cows were eaten up by seven ugly and skinny cows. In the other dream seven healthy stalks of grain were swallowed up by seven thin and dried up heads of grain.

Pharaoh found out that Joseph could understand dreams so he brought Joseph out of prison to explain them to him. Joseph told Pharaoh that the dreams were from God and told him what was going to happen in Egypt. God said there would be seven years with lots of food, followed by seven years where there wouldn't be any food.

Pharaoh saw that Joseph was very wise and he made him an important ruler in Egypt to collect the grain in the good years so there would be something to eat in the bad years.

Draw a skinny cow and a fat cow.
