Level 4—Parent Notes

- ⇒ **Daily Journal:** Depending on the age, ability, or parent preference, the student may do the journal independently or complete it with the parent. After reading the day's Bible passage, the student should identify an important truth that relates to that reading and answer the question why he/she needs to know that truth. It would be beneficial if the parent and student also read through and answer the questions from the *Daily Reading Questions*.
- ⇒ **Lesson Verse:** The lesson verse which answers the week's big question should be practiced daily. One way to do this is to black out words in the verse each day and recite the verse inserting the correct word. By the end of the week the whole verse would be blacked out and recited by memory.
- ⇒ **Concluding Lesson:** To develop deeper understanding and a comprehensive biblical worldview, the parent should talk through with the student the *Thinking It Through* questions and then have the student write out the answers. The student can also complete the *Further Understanding* activity if not completed during the Sunday Club time..
- ⇒ **Completion:** If the student brings this booklet back to the teacher on Sunday, with each day's work completed and the lesson verse memorized, the student will receive acknowledgement of a job well done.
- ⇒ **Way to go, parents!** Your faithfulness in teaching your children the deeds and statutes of the Lord isn't always easy, but it honors God and will have an eternal impact. Keep up the good work! Remember Galatians 6:9, *Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.* NIV
