NURSERY CONCEPT

Jesus is the rock we build on.

LESSON CONTENT

Explanation: (Show lesson picture) (picture 14-4)

What is this a picture of?

Jesus says that learning from him is like building a house on a rock. When there is a big storm and it rains really hard a house on a rock will be kept safe. If a house is built on sand, it will fall down in a big storm. We are kept safe when we study the Bible, listen to Jesus and do what he says. Jesus is the rock we build our lives on.

QUESTIONS

Why should we build a house on the rock? What happens if a house is built on sand? What is the rock we should build our lives on? How will that keep us safe?

PRAYER

Thank Jesus that he is the rock we should build our lives on. Thank him for the Bible that shows us how we are to build.

LESSON SONG

The House on the Rock

The wise man built his house
upon the rock
(Repeat two more times.)
And the rain came tumbling down

Oh, the rain came down,
and the floods came up
(Repeat two more times.)
And the wise man's house stood firm.

The foolish man built his house
upon the sand
(Repeat two more times.)
And the rain came tumbling down

Oh, the rain came down,
and the floods came up
(Repeat two more times.)
And the foolish man's house
went "splat!" (clap hands once)

So, build your house
on the Lord Jesus Christ
(Repeat two more times.)
And the blessings will come down

Oh, the blessings come down
as your prayers go up
(Repeat two more times.)
So build your house on the Lord Jesus Christ.
