**How was Jesus Transfigured?**

## Page 2

Standing there with Jesus

were two very special men.

Moses and Elijah

stood speaking there with him.

Moses and Elijah

were prophets from of old.

They were there with Jesus,

God's glory to behold.

Page 3

Sleepy the disciples

came fully wide awake,

So the fullness of God's glory

with their eyes they did partake.

As they were there together,

they were surrounded by a cloud.

The disciples heard the Father's voice

speaking right out loud.

Page 4

The Father spoke from heaven;

he said, "Jesus is my Son.

I have chosen him to see

that my will be done.

Carefully listen to him

and what he has to say."

The truth that Jesus speaks,

all people should obey.

Page 5

The disciples were amazed  
at what they'd seen and heard.

But of what happened on that mountain,  
they didn't say a word.

We now know the story;  
as it written down,

And the truth of Jesus' glory,  
we should spread around.

Page 6

God's glory is revealed

through Christ's death and resurrection.

And it can be seen

through his glorious perfection.

That the one and only God,

who dwells in heaven above,

Sent his beloved Son to earth,

shows the glory of his love.

Up to a mountain top,  
Jesus went to pray.  
Peter, James and John  
went on that special day.  
As Jesus stood there praying,  
his face was like a light.  
His appearance was transfigured;  
it shone in splendor bright.
