

John 6:35

I am the bread of life. He who comes to me will never go hungry,
and he who believes in me will never be thirsty.

A large orange semi-circle is shown, representing the upper half of a circle. A dashed horizontal line runs across the top of the semi-circle. From this dashed line, several vertical lines extend downwards into the orange area, representing the vertical segments of a circle's circumference.

John 6:35

I am the bread of life. Whoever comes to me will never go hungry,
and whoever believes in me will never be thirsty.

A large orange semi-circle is shown, representing the upper half of a circle. A dashed horizontal line runs across the top of the semi-circle. From this dashed line, several vertical lines extend downwards into the orange area, representing the vertical segments of a spiral. The lines are evenly spaced and vary in length, with the longest lines in the center and the shortest at the edges.
